ABOUT ME & PERSONAL OBJECTIVE

Experienced and skilled WordPress Website Developer with a proven track record of success in creating and developing websites. I have worked as a Freelancer for several years, delivering high-quality projects on time and exceeding client expectations. My expertise includes WordPress, HTML, CSS, and other web development technologies. I am a fast learner and have a keen eye for detail, ensuring that every website I create is visually appealing and user-friendly. My goal is to continue honing my skills and delivering exceptional websites that help businesses thrive.

WORK EXPERIENCE

WORDPRESS DEVELOPER FOR IMMOPRISE

I worked with a Swiss company called Immoprise and designed their website for Mr Vetsch and for the past 2 years, I have been working for him. I have completed another venture for his partner called Vacasa. I conversate with him in Germany that show my excellent communication skill
